7. Start and End of Day Protocols
8. Hygiene and Safety Protocols
9. Timetable Structures
10. Bubble Bag Concept

Annex

1. BSL Community Health Agreement
2. Menu September 2021
3. Spanish Reading book requirements Year 4 to Year 11
4. Additional Information and Resources

Dear Parents and Carers,

To those of you who were with us last year and to those who are just joining us, welcome! The staff team at BSL are delighted to welcome you into an exciting new year. I hope that the summer brought you all time to relax and be together as families. I'm looking forward to hearing about any adventures from the students in the week ahead.

We want to thank you for the time taken to complete our brief survey at the end of last year. We were inspired by your feedback and are looking forward to another, even more successful year ahead for your children and our community.

Safety is still of paramount importance to us and we will return this year following the most recent guidance, in almost exactly the same way that we operated last year**. Students from The Foundation Stage to The Sixth Form are organised into bubbles.** These bubbles provide them their own spaces and pathways within and outside of the school in order for us to implement age related measures for the prevention of COVID 19 within our school community. **We will begin our Early Morning Club for those who need a 7.45am onwards arrival on Thursday 9th September, so please ensure the office are aware if your require this service this year. Our school start arrival times have become slightly later with doors opening at 8.40 to be closed at 8.50am for Years 6 to 13 *Bubbles D, E and F and 8.40 to 8:55am for all younger years *Bubbles A, B and C.** This allows lessons to start promptly and for form time to take place in secondary. There have been slight adjustments made to the pickup times so please check in the information booklet or on the signs outside your child's bubble entrance.

On the subject of success, it is with great joy that I can share the successes of our Year 10 and 11 2021 who all achieved very positive iGCSE results in July, following a very challenging few years of fractured and intense study. **I am also incredibly proud to share the success of our Year 12 2021**, who have gained their AS awards and are in a great position to continue on into their final year of A Levels. Great dedication from staff, students and parents has overcome the challenging circumstances of the times we find ourselves in, and this serves as a reminder of the power of team work, passion and determination.

Last year our measures, alongside your care, consideration and support enabled us to stay healthy and learning the whole year through. This year, we ask that you again work alongside us to keep us thriving. **Please support us by reading and completing our Community Health Agreement and continuing to be vigilant when it comes to symptoms of illness. Please also ensure our office has your most recent and up to date contact details.**

This year we are able to apply a slightly different approach, by implementing further cleaning measures we are able to allow a little more movement for our secondary students within their bubble classrooms for specialist subjects. This will all be outlined more clearly when they receive their timetables in the coming days. Distancing requirements have been reduced slightly to 1.2 M distance for children in Year 8 and above, but we will continue to encourage distance alongside vigilant handwashing, thorough cleaning, ventilation and mask wearing. **The rest of the school will work as it did last year and individual details about your child's bubble can be found in the following information booklet.**

When we return to school all the children from Year One upwards will need to wear a mask. This is the law and we will follow any updates very closely. **All the staff and visitors to the school will also have to wear a mask.**

All Students will be grouped into bubbles. These are stable coexistent groups formed of 2 or 3 classes.

Bubble A: Foundation 1 and Foundation 2

Bubble B: Year 1 and Year 2

Bubble C: Year 3, Year 4 and Year 5

Pupils can learn, play and eat within their own bubble. This means that they are still having interactions with children of other ages which we believe to be an integral part of school life. Once we have established our bubbles, these students can learn in groups and although distance will be respected it doesn't need to be maintained.

Year 6 and 7 do not need to maintain a distance but it will be respected.

Year 8 to 12 are also grouped into bubbles, however they will need to try to maintain a distance of 1.2 M as much as possible.

Bubble D: Year 6, Year 7 and Year 8

Bubble E: Year 9 and Year 10

Bubble F: Year 11, Year 12 and 13

School will largely look the same. **Foundation Stage to Year 8 will continue to be based in the lower school site at the top of the road and Years 9 to 13 will be based at the upper school site and the bottom of the road. Hot lunches will be eaten in the comedor and tent and students will eat in their class groups distanced from others at their allotted times.**

We are also very pleased to allow students to play outside during their patio times with all the students in their bubble. Distancing and where necessary, mask wearing will be used to ensure safety, students need to run around in larger spaces and socialise with a wider range of friends; **we believe it is incredibly important for their mental health.** Years 9 to 11 will use the local areas at the triangle and local sports courts to have more space for exercise during break times.

The Lunch time for all secondary students and sixth formers will be at 1.30 pm until 2.20 pm, meaning that all our secondary students will finish at the same time again of 3.10 pm. We are excited that this brings back a focused lesson time to end our school day, enabling even more learning to take place.

With the growth of the school comes new opportunities for your children and our school in the coming year. Physical Education will now be more structured, personalised and productive as students in Years 6 to 11 will be taught a double period of PE each week with Herr Bröll. Lessons in the local area alongside trips to the sports centre and other outdoor spaces will enable students to develop skills and use a range of equipment in different sporting contexts.

New additions to our staff team bring us further new opportunities and I am delighted to welcome 5 new faces to our Team. Working in secondary and Sixth Form we welcome **Mr Clark as our History, Geography and Global Perspectives Teacher**. Forming a team in the science department we welcome, **Ms McFadden and Mr Santamaria, sharing Key Stage 3 and 4 and A Level Biology**, and **Mr Reibold who will be teaching A Level Chemistry**. Joining us as **Computer Science and Key Stage 3 Maths Teacher is Mr Dunsby**. Mr Dunsby will be joining us at the start of

October as he is currently held up in Vietnam where he has being teaching in an International School. Until he is able to join us, we welcome back **Mr Griffiths**. Mr Griffiths has been an asset and huge support to the school teaching across the secondary section in the past year and in partnership with Mr Brito, Mr Dunsby and myself he will help our students to get started on their Computer Science learning for Autumn Term.

We are very grateful to have so many experienced and passionate teachers on board our team for 2021 2022 and we look forward to welcoming you and introducing the new faces in the coming weeks.

I hope you find the information enclosed helpful and reassuring. Please don't hesitate to contact us with further questions if necessary, ensuring you make an appointment if you need to physically visit the school.

We hope you and your family enjoy coming back to school and look forward to sharing a positive new school year with you all.

We look forward to seeing you all soon.

Best wishes and kind regards

Laura Hare

Head Teacher in partnership with *The BSL Leadership Team*

Senior Leadership Team

To arrange a meeting with any member of the Leadership Team, please email the office at info@thebritishschoollanzarote.com specifying which leader and why you would like a meeting.

Mrs Rees

Foundation Stage and Key Stage One Leader

Curriculum Leader for Learning

50% Year One Class Teacher

Miss Key

Early Years Literacy Leader for English and Spanish

Lead Teaching Assistant

Mrs Preston

Key Stage Two Leader

Year 6 Teacher

If you would like your child to work with our SENCo then contact must be made with the Key Stage Leader in the first instance.

Mr Roberts

Key Stage 3 and 4 Leader

Secondary and A Level English

Mr Jenkins

Key Stage 4 and 5 Leader

Secondary and A Level Maths

Timetable

Miss Dieppa

Spanish Team Leader /Whole School Spanish Teacher

Key Stage 5 Pastoral Leader

Mrs Dolorci Delgado

Accounts Finance and Resource Manager

Leader of Catering and Cleaning Team

School site and Maintenance Leader

Mrs Sarah Grigg

School Secretary

Home School Communications Leader

Designated COVID Manager

Mrs Sue Rose

SENCo Specific Educational Needs Coordinator

Year 5 Teacher

When to contact the leaders?

- When you are worried, confused or have questions regarding your child's safety, health, wellbeing or learning.
- If you need to meet with a teacher in their section of the school, then the leader will arrange a meeting at the earliest convenience.
- If you want to discuss further the ways in which home and school can work in partnership.

What to do if I need to report an urgent incident, concern or complaint

- Email the school outlining the details of your concern or the incident
- The email will be forwarded to the relevant section Leader who will communicate, if necessary with the Headteacher and you will receive a call or email response within 3 working days of your initial contact
- If the matter is very urgent then a call to the office can be made, you may be asked to follow up your call with an email to ensure as much detail as possible is given and the matter can be addressed accordingly.

MORNING PROTOCOLS

Everyone who enters the building will have their temperature taken. If this is above 37.5 at resting, after two checks, they MUST NOT ENTER and need to be taken back home.

We ask that parents and staff try to park up away from the school and walk to collect their children. Congestion causes difficulties when trying to implement high safety measures.

	Arrival Times and Details
Bubble A	ENTRANCE A **Small patio gate open from 8.40 am to 8.55 am.** • Children and parents line up, socially distanced, on pavement down towards new building. • Teacher(s) with thermometer(s) stand on pavement by the gate. • Children with OK temperature go in to class • Children with high temperature are separated and stand behind the teachers (near to the noticeboard). Temperature checked again after 5 mins. **At 8.55 am, gates are closed for the register**
Bubble B	ENTRANCE B **Side door (Head teacher's door) open from 8.40 am to 8.55 am. .** • Children (and parents) line up socially distanced, on pavement up towards the playpark. • Teacher(s) with thermometer(s) stand on pavement by the gate. • Children with OK temperature go in to class * • Children with high temperature are separated and stand behind the teachers (near to the noticeboard). Temperature checked again after 5 mins. **8.55 am gates are closed for the register, lessons begin at 9 am**
Bubble C	ENTRANCE C **Car Park, entrance open from 8.40 am to 8.55 am.** • Children (and parents) line up, socially distanced, on pavement down towards the corner • Teacher(s) with thermometer(s) stand on pavement by the gate. • Children with OK temperature go in to class • Children with high temperature are separated and stand behind the teachers in the area towards the main road. Temperature checked again after 5 mins. **8.55 am gates are closed for the register, lessons begin at 9 am**
Bubble D	ENTRANCE D **Path behind new school building to patio, entrance open from 8.40 am to 8.50 am.** • Children line up, socially distanced along the path • Teacher(s) with thermometer(s) stand on the path by the open door to the patio • Children with OK temperature go in to class • Children with high temperature are separated and stand behind the teachers in the area towards the main road. Temperature checked again after 5 mins. **8.50 am gates are closed for the register, form time begins at 8.50 am, lessons begin at 9 am**
Bubble E and F	ENTRANCE E/F **Gate into Upper Secondary building, entrance open from 8.40 am to 8.50 am.** • Children line up, socially distanced along the pavement heading up to the old building • Teacher(s) with thermometer(s) stand on the pavement by the open door to the patio • Children with OK temperature go in to class *

	• Children with high temperature are separated and stand on the opposite pavement. Temperature checked again after 5 mins**. **8.50 am gates are closed for the register, form time begins at 8.50 am, lessons begin at 9 am**

LATE ARRIVALS

Children arriving late will have to report to the office where the Designated Covid Manager will check temperatures and parents will wait while the Designated Covid Manager advises the SLT Leader for the appropriate bubble to open the appropriate door. The parent will take the child to the door when the SLT acknowledges the message. Re occurring lateness will incur a fine as this disrupts learning. Explained lateness and absence are considered to be authorised. Please call or email the office to report any lateness and absence from school.

Home time Protocols

	Collection Times and Details
Bubble A	ENTRANCE A Children to be picked up at 2:50 (F1) and 3:00 (F2)
Bubble B	ENTRANCE B Y1 to be picked up at 3:00 and Y2 at 3:10. Children to line up socially distanced in the corridor past the toilets until their name is called.
Bubble C	ENTRANCE C Y3, Y4, and Y5 3:10. Children to line up socially distanced in the car park until they see their parents.
Bubble D	ENTRANCE D Y6: 3.00, Y7 and Y8: 3:10 Children line up, socially distanced on the path and pavement in classes and leave when they see their parents.
Bubble E and F	ENTRANCE E/F Y9, Y10, Y11, Y12 and Y13: 3:10 pm. Students line up, socially distanced within the grounds of the building and leave when they are called. **Any specific collection requirements you desire for your child, must be clearly stated in writing to the office. You will need to be accountable for your child's safety once they exit the school grounds.*

LATENESS CAUSES GREAT DIFFICULTIES.

Please understand that we cannot accommodate lateness. A fine will be implemented for repeated lateness. If you are able to notify the school as soon as you can, they will explain which entrance to collect your child from. Please consider the safety of others.

Hygiene and Safety

Teachers will embed handwashing and hygiene practices into their timetables. Students will wash their hands with soap and water a minimum of five times a daily. Anti-Bacterial hand gel is readily available at every entrance and exit and in every room throughout the school.

Students and teachers will wear masks at all times, will the exception of Foundation Stage and Year One, but only once they are established inside their own classroom or in the outdoor learning area. Year One upwards must wear a mask to school.

Masks can now be removed when we are outside and distancing is being respected.

Any specialist learning areas which will be shared spaces across bubbles will be disinfected between uses. Students will have designated seats in every classroom in which they learn to ensure monitoring and safety. Teachers will form groups for their students and try to work with these groupings to facilitate safe collaborative working.

Please ensure your child wears clean clothes each day. On days when they will have sport, they should wear their kit to school to avoid changing clothes during the day. Long hair needs to be tied back and hair ties simple and smart. For Bubbles D, E and F, simple earrings may be worn, but please, no rings or necklaces, unless religious. Nail varnish is not permitted except for Year 11 and Sixth Form and we ask that this is kept natural and tidy.

Our school Fire Procedure will be the same as last year and we will ensure this is taught to the students on their first day.

Working Together for a Safer Community

We will check temperatures daily, but MUST NOT allow entry if the temperature is too high. To help us with this and to pledge your support to the wider community we will ask you to complete a **Community Health Agreement Form**, stating that you will take FULL responsibility for monitoring your child's wellness, and checking their temperatures at home before coming to school. We also ask that you are vigilant with your own family's contact, as I am sure you already are. **This form is sent alongside this booklet.**

In the Event of a Case

In the event that a student has a sudden onset of symptoms, they will be collected by the Designated Covid Manager or The Head teacher. Full PPE will be worn, in line with regulations. The student will be taken to an **isolation space, away from others, but in comfort while the Designated Covid Manager contacts our Link Medical Centre and The Parents**. From there, testing may need to take place. The actions that follow will be decided by the Link Medical Centre. If this involves you, you will be contacted and your child may also need to speak with them. They will advise you and us on isolation requirements and relevant persons will be notified as soon as possible.

Timetable Structures

In order to accommodate high cleaning measures in the Comedor, and to ensure each bubble has designated patio time and adequate breaks, **we have had to re structure the shape of the school day in each part of the school.**

This is how the timetables will be structured. **Detailed timetables showing which subject learning takes place when will be shared will you once we are happy they work well**. Minor adjustments may need to be made after our first few days in school. Your child's class or form teacher will ensure you know when sports lessons are taking place so that your child can wear their sports uniform on that day.

Class Material & Bubble Bag Concept

The bubble bag will be used to go between home and school every day. It will need to contain all the following items.

The bubble bag can be a **bum bag for younger children**, so they can keep their masks on them at all times. For older children we suggest a **drawstring sports bag or a wash bag** that can act as a kit they can easily access when needed.

Please note that students in Years 6 and above need to provide their own devices for use in Computer Science and across the curriculum. Students in Years 4 and 5 may also bring in their own devices to their Computer Science lessons.

F1 / F2 (Bubble A)

Bubble Bag requirements;

1. Change of clothes
2. Clean Babi everyday
3. Water bottle (Labelled with name)
4. Sun hat (Labelled with name)
5. Baby wipes
6. Healthy snack (No egg or kiwi due to allergies in class)

Year 1 / Year 2 (Bubble B)

Bubble bag ; Articles highlighted should be stored in a bumbag

1. 2 x Masks named
2. Resealable bag to store masks
3. Pencils x 2
4. Pencil sharpener
5. Rubber
6. Glue stick
7. Colouring pencils
8. Colouring crayons
9. Small ruler
10. All stationary to be inside a simple, named pencil case which will stay in school
11. Tissue pack
12. 1 x painting / messy play t-shirt (Please bring in at start of term / Large size to allow for comfy fit)

Additional small bag containing;

1. Snack
2. Water bottle (Labelled with name)

Year 3 / Year 4 / Year 5 (Bubble C)

Bubble bag ; Articles highlighted should be stored in a bumbag

1. 2 x Masks named
2. Resealable bag to store masks
3. Pencils x 2
4. Pencil sharpener
5. Rubber
6. Glue stick
7. Colouring pencils
8. Colouring crayons
9. Small ruler
10. All stationary to be inside a simple, named pencil case which will stay in school
11. Tissue pack
12. 1 x painting / messy play t-shirt (Please bring in at start of term / Large size to allow for comfy fit)

Additional small bag containing;

1. Snack
2. Water bottle (Labelled with name)

Year 6 / Year 7 / Year 8 (Bubble D)

Bubble Bag requirements;

1. 2 x Masks named
2. 1 x Alcohol gel for hands
3. 1 x Resealable bags to store face mask
4. 1 x Pack of tissues
5. 2 x Pencil
6. 1 x Blue ballpoint pen
7. 1 x Black ballpoint pen
8. 1 x Green ballpoint pen
9. Ruler
10. Rubber
11. Pencil sharpener
12. Mathematics set
13. Scissors
14. Glue stick
15. Colouring pencils
16. All stationary to be inside a simple, named pencil case which will stay in school
17. Scientific calculator (Named) - *Miss Preston will provide calculators for Year 6*
18. Water bottle (Labelled with name)
19. Snack (Sandwich / bocadillo + One piece of fruit)

STUDENTS WILL NEED TO BRING THEIR OWN LAPTOPS ON DAYS SPECIFIED BY THEIR TEACHERS.

Year 9 / Year 10 (Bubble E)

Bubble Bag requirements;

1. 2 x Masks named
2. 1 x Alcohol gel for hands
3. 1 x Resealable bag to store additional face mask
4. 1 x Pack of tissues
5. 2 x Pencil
6. 1 x Blue ballpoint pen
7. 1 x Black ballpoint pen
8. 1 x Green ballpoint pen
9. Ruler
10. Rubber
11. Pencil sharpener
12. Mathematics set
13. Scissors
14. Glue stick
15. Colouring pencils
16. All stationary to be inside a simple, named pencil case which will stay in school
17. Scientific calculator (Named)
18. Water bottle (Labelled with name)
19. Snack (Sandwich / bocadillo + One piece of fruit)

STUDENTS WILL NEED TO BRING THEIR OWN LAPTOPS ON DAYS SPECIFIED BY THEIR TEACHERS.

Year 11 / Year 12 (Bubble F)

Bubble Bag requirements;

1. 2 x Masks named
2. 1 x Alcohol gel for hands
3. 1 x Resealable bag to store additional face mask
4. 1 x Pack of tissues

BSL Community Health Agreement

Dear Parents,

It is our collective responsibility to prevent the spread of infection now that the children are back in school. We are certainly doing everything we can here in school and we need to ensure you are doing your part at home too.

You know your children and you know when they are not feeling themselves. Please use your home temperature checking equipment and your knowledge of your child to make a good judgement each morning as to whether your child is well enough to be in school.

Extra vigilance is required. If your child has a bad cold please don't bring them in. If your child has a high temperature or fever in the morning, please do not administer fever reducing medicine for the purpose of sending them to school. This is because if your child's medicine wears off and they suddenly display a high temperature or other symptoms out of nowhere, then we will have to remove them from their class and begin the testing process. It may be more time effective to just keep your child off for a day or two.

Our guidance states that if a child displays a sudden off set of symptoms including a sudden rise in temperature, we must remove them from their class immediately and inform the health service. The child then must receive a test and isolate at home until the negative result has been proven. This is potentially a long and disruptive process which impacts your own employment and your child's education. Your whole family will also need to isolate until the test proves negative.

Let's work together to keep the children healthy and in school.

Once you have read this information, please sign it on paper or digitally and send it back to school.

Thank you for working in partnership with us for a happy and healthy school community.

Kind regards,

Ms Laura Hare
Headteacher

The British School of Lanzarote S.L.

BSL Community Health Agreement

I declare that In order to foster the safety of our school community, I pledge to uphold the following commitments on a daily basis:

- Conduct a morning temperature check before my child arrives at school each day. If the temperature reads 37.5ºC or above, I will keep my child at home for the day.
- Refrain from sending my child to school if they or anyone in the household is displaying any symptoms potentially related to COVID-19.
- Refrain from sending my child to school if they or anyone in the household is has been in contact with anyone who has tested positive for COVID-19 within the last 14 days or is currently awaiting test results.
- Abstain from the practice of providing fever reducing medicines for the purpose of sending my child to school.
- Keep my child at home when they are sick or exhibiting any symptoms of general illness.
- Pick up my child immediately if he/she becomes sick while at school.
- Inform the school as soon as possible if my child is absent for any reason.
- Inform the school as soon as possible if there are any changes to my contact details.

SPANISH READING BOOKS

Dear parents,

The 2nd and 3rd cycle of Spanish Primary Education when children are between 8 and 12 years old, is particularly characterized by their socio-emotional and cognitive-intellectual development.

Reading is essential in order to improve one's knowledge. Children who read well have greater success and achieve better academic qualifications. Teachers agree that the habit of reading helps students to learn more easily.

For this reason we have chosen the following books for pupils to study during this academic year and which should be purchased by the parents.

3º de Primaria	**Year 4**	**Palabras de caramelo, Ed. Anaya** **ISBN 978-84-667-1571-3**
4º de Primaria	**Year 5**	**Óyeme con los ojos de Gloria Cecilia Díaz, Ed. Anaya** **ISBN 978-84-207-4403-2**
5º de Primaria	**Year 6**	**Los cinco y el tesoro de la isla de Enid Blyton, Ed. Juventud** **ISBN 8426142923**
6º de Primaria	**Year 7**	**El asesinato de la profesora de lengua, Ed. Anaya** **ISBN 978-84-667-6252-6**

The Spanish Department considers it beneficial for students to build their own personal library.

Additionally, from 6º Primary it is obligatory for all pupils to bring a Spanish dictionary (not a pocket edition) to every class.

Yours faithfully,

Mrs Dieppa
Spanish Department

READING BOOKS

Dear parents:

During the ESO (Obligatory Secondary Education) pupils begin to study literary works; this is undertaken considering Literature from two angles. Firstly, as a product of a particular historical, social and cultural context, for which we will be focusing on the history of literature. Secondly, as a means of communication and the impression caused. Study of the communicative character of the literary works gives us the opportunity to:

1. Get to know the most significant authors and read their main works.

2. Learn about the possibility to create texts using a personal and unique style.

For this reason we have chosen the following books for pupils to study during this academic year which should be purchased by the parents.

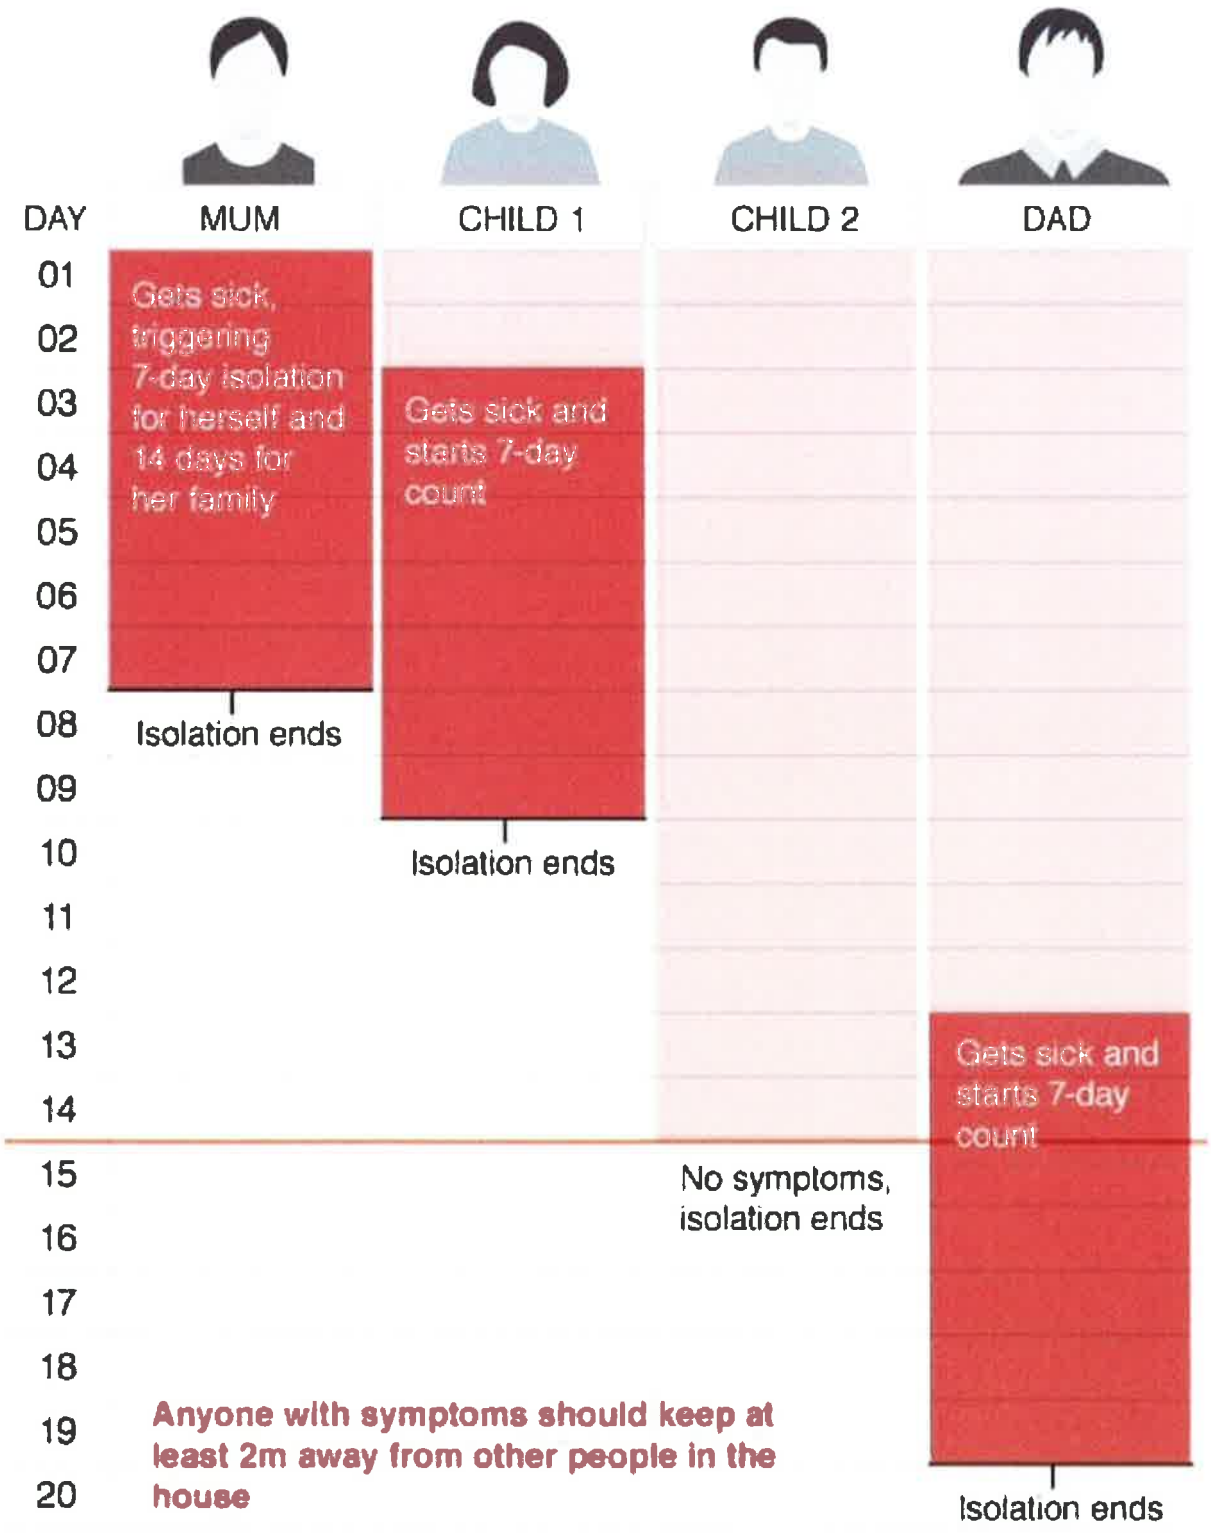
1º E.S.O.	Year 8	El sueño de Berlín, Ed. ANAYA ISBN 84-678-7143-2
2º E.S.O.	Year 9	El Lazarillo de Tormes, Ed. Bruño ISBN 84-216-9216-X
3º E.S.O.	Year 10	El niño del pijama de rayas, de John Boyne. Ed. Salamandra ISBN: 978-84-983-8254-9
4º E.S.O.	Year 11	La casa de Bernarda Alba, Ed. ANAYA - Cátedra ISBN 978-84-376-2245-3

It is obligatory for all pupils to bring a Spanish dictionary (not a pocket edition) to every class.

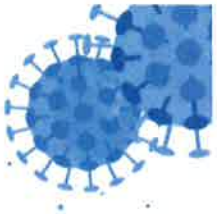
Yours faithfully,

Mrs Dieppa Alemán
Spanish Department Coordinator

What happens if someone in your family gets sick?



People may be able to pass on coronavirus without showing any symptoms



¿Cuáles son los síntomas del nuevo coronavirus?

Los **síntomas más comunes** de la nueva enfermedad por coronavirus (COVID-19) incluyen:

Fiebre

Tos

Sensación de falta de aire

En algunos casos también puede haber disminución del olfato y del gusto, escalofríos, dolor de garganta, dolor de cabeza, debilidad general, diarrea o vómitos.

La mayoría de los casos son leves

GOBIERNO DE ESPAÑA · MINISTERIO DE SANIDAD

¡Lávate las manos!

Lavarse las manos de forma correcta, con agua y jabón, elimina los microbios que estén en ellas y ayuda a prevenir las enfermedades

¿Por qué?

Porque en la mano y entre los dedos encontramos viajeros no deseados: gérmenes y bacterias

causan infecciones gastrointestinales

conjuntivitis en los ojos

catarros, gripes

infecciones en heridas

¿Cuándo?

Antes de cocinar y comer

Después de acariciar a mascotas

Antes y después de usar el WC

Antes y después de cuidar a una persona enferma

Cuando se está enfermo después de estornudar, sonarse la nariz o toser

Después de jugar en la calle

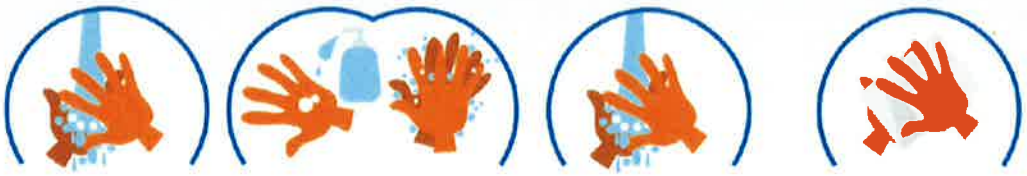
Después de usar transporte público

Antes de tocar a bebés

Siempre que tus manos estén visiblemente sucias

¿Cómo?

sólo te llevará 40 segundos



Mójate las manos con agua y jabón

Enjabónate muy bien la palma, el dorso, entre los dedos y las uñas

Aclárate bien los restos del jabón y si es necesario repite el proceso

Sécate bien con una toalla de papel

¡Comparte esta información con tu familia!
